

Nimbus on tour

Dear all interestrede.

(The pages are translated with DeepL - there are some errors and bad sentences)

We meet **Sunday 19 July** 2026 at 10:00 at the car park at Hotel Skibelund Krat, [Skibelund Krat 4, 6600 Vejen](#) a few kilometres south of Askov, where the nearest petrol station is located in the middle of town at Brugsen.

A full tank should be able to make the journey, which is about 90 km.

We follow in the footsteps of Harald Bluetooth - looking at rune stones and a few large boulders in southern Jutland. The tour ends in Jelling ([Se leaflet about Jelling](#)).

We'll also kick tyres and some will probably tell tall tales ☹

This is a full day tour. Bring a packed lunch and drinks.

It is not necessary to register, but you are welcome to, so I can get your email address.

Here you can see my [Schuberth intercom QR identification](#) here. I expect to use Open Mesh.
